POSTER CONTEST WINNERS

SUMMER 2019

The theme of the 2019 Poster Contest was “Go Green, Help Save the World” - Brochures have available and were sent to all Grand Domains. This is a very popular topic for both students and high school administrators.

Following the deadline of June 15, 2019 all posters received in the Supreme Lodge Office were taken to be judged by our printer, PrintMaster in Canton, MA. The winners have been announced and posted on our website, as well as being published in Pythian International.

Again, this year, we received many requests from students responding to our website; each of those students has been answered. Many questions come from areas in which we do not have Pythian affiliates. Wherever possible, I direct them to a neighboring state that does have Pythian Lodges. In extreme cases where there are no Pythians (Idaho, Minnesota, Georgia, etc.) I direct them to mail their poster to the Supreme Lodge Office. Unfortunately, we received only nine (9) posters; three (3) computer generated and six (6) hand-drawn.

Thanks to the generosity of the Knights of Pythias Foundation there was a first, second and third place winner in each category; fourth through sixth for the hand-drawn.

Thanks to Webmaster Bruce Nelson for disseminating the poster information.

The following pages contain the winning posters, their creators, the Domain that sponsored them, their school and grade.

Respectfully submitted,
/s/ Allen S. Morris, KGS
Supreme Secretary – Chairman

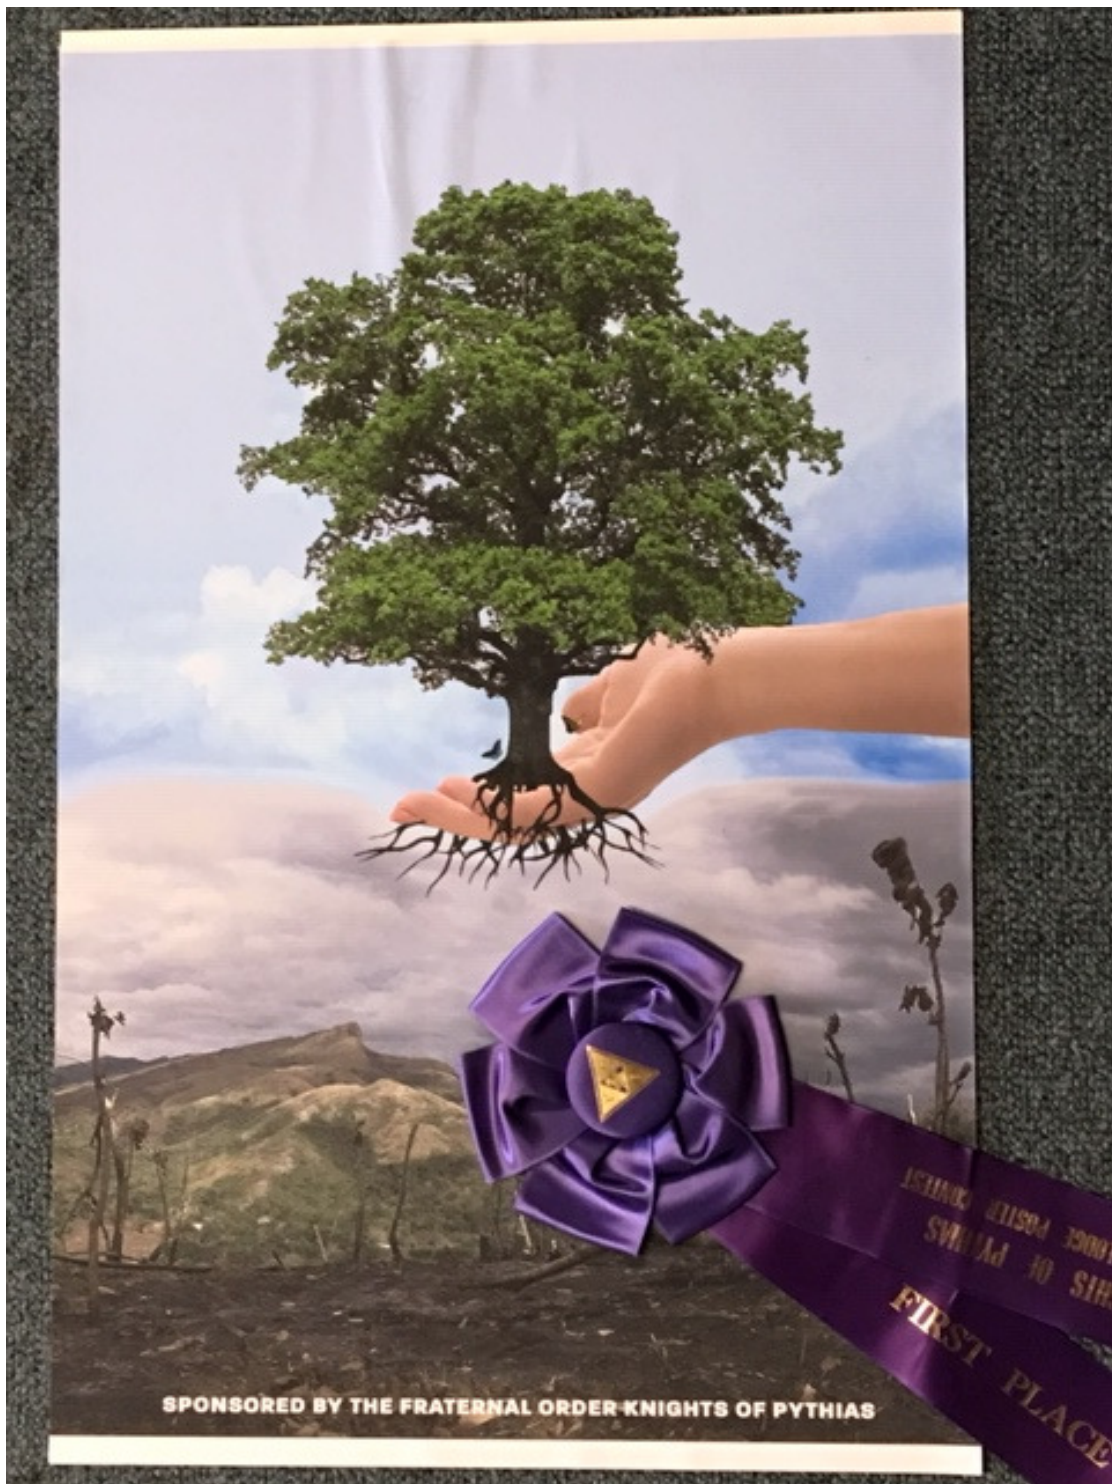

Grand Lodge Conventions Summer/Fall 2019
