Fp, Mp, C. Now

This has become a most difficult, challenging term and now extra innings. We hope all stay healthy and active. The title is not something from a chemical periodic chart, but a guide to priorities of the Order.

Fp begins with F, ends with p, Friendship. This is the fundamental, first word that is associated with our Order. Mp is what we seek, members, active members, interesting programs for retention, Membership. Now the C, any number of words come to mind, e.g., charity, but this is the interest in Community where we are a community and seek a market, visibility, and relevance by reaching out through Community Service.

Supreme Chancellor's Message

Cont. from front page

So, in this quarantine coronavirus era, these are keys that enable us to move ahead, to be motivated, and to act now publicly promoting our Order. The goal is the vital increase of our membership.

The coronavirus even with its restrictions affords a tremendous opportunity for planning and communications by electronic media when for most live activity is not possible.

This term's Membership Champion is Prelate Marvin Levine, Fortitude Lodge #160, New Jersey, a relatively new member. In maybe three short years, he has recruited close to 30 new members. The choice of him acknowledges his hustle, leadership, and magnetism. He is a model and inspiration for all of us to recruit constantly at every opportunity.

A new world opened as of August 2019 to us to have new Knights from females, family, friends, and everyone in the Community with whom we interact.

Lastly, someone brought to my attention the previous Supreme Chancellor's message mentioning George Floyd and his cruel death as a murder, and I apologize for that reference as it has never been so adjudicated, but everyone may see the circumstances and as one of many. Interestingly, a governor who is a lawyer made the same reference in the aftermath of the Breonna Taylor findings and indictment. A purpose of the Order initially was to help bring the country together which has continued to inclusion in the current term's program.

Fp, Mp, C! Now. As we struggle, be positive and live our motto, "We are Friends working together for a better community!"

*From the
Supreme Secretary's Desk*

It's October! Already! Where is the time going?

Safety guidelines notwithstanding, we need to open our subordinate lodges and get back to the business of meeting and doing for our communities. The longer we stay inactive, the tougher it's going to be to bring our brethren back to our Castle Halls.

Several domains are open (subordinate lodges) and have been for months, they're meeting on a regular basis (safe distancing, of course) they're planning and being visible again within their areas. Some of our Grand Lodges are meeting, some in abbreviated convention, abbreviated by their duration, but they are meeting... And that's a good thing!

Supreme Chancellor Fierstien has called for a Supreme Council Meeting on Saturday, October 3 in Newark, New Jersey. Before doing so, the members of the Supreme Council were polled to see if they would attend. Having ascertained (on paper) a quorum before calling the meeting, a preliminary agenda was put together and sent to the members of the Council. It appears October 3 will be a full day.

The last few pages of this lighter than usual Pythian International feature updated information on the Supreme Lodge Convention; dates, location, times, menus, prices – you'll see.

I am somewhat disappointed that the response for the discounted jewelry that appeared in the last issue wasn't more enthusiastic as it was. There is still a goodly amount of brand new tie tacks, cuff links, button covers, etc. available. Please, if you're interested place your orders through your Grand Secretary.

I would like to wish all of our Jewish Brothers and their families the happiest and healthiest New Years. L'Shana Tova!

Stay well and stay safe !!!

Fraternally,
Allen S. Morris, KGS
Supreme Secretary

NEW JERSEY SUPPORTS FIRST RESPONDERS

Benjamin N. Cardozo Lodge #163/157 supports all local heroes; first responders, doctors, nurses, and everyone who is working hard to keep our residents safe and healthy during the COVID-19 pandemic.

Here's a banner that stretches on one side of the Morlot Avenue overpass on Route 208. We did this jointly with the Pythian Sisters. Next time you drive over the overpass, take a glance at our giant footprint in Fair Lawn. Even Mayor Kurt Peluso commented of our presence all over town. Thanks to PC Dave Judovin for the design & ordering it. And of course, VC Bob Starr for getting it okayed & mounted through the borough hall.

HERMION LODGE #27, LEESBURG, FLORIDA

On 7 March, 2020, Hermion Lodge #27 made a substantial donation to the Boy Scouts of America at Camp La-No-Che in Paisley, Florida. We felt by furthering the ideals of Friendship, Charity and Benevolence, we could assist this organization in their efforts to help our youth of today become better citizens.

Our lodge is ever striving to increase our presence in the local communities in our area, to show what the Knights of Pythias in our state does for our fellow man, and in doing so, we hope that it will bring future members who will want to be part of something great by joining us.

I do want to mention two individuals whose pictures are attached from the event, Mark Lepinski took the group picture, and he is now a Squire in our lodge and soon to take the Knight rank. The other is Chipper Stempkowski (an Eagle Scout who attended the camp as a young lad) and now holds the position of Assistant Program Facilities Director at the camp. The group picture lists the names of the attendees and their title.

We are also looking at other charities such as the Kimberly Center-Ocala. They help abused and sexually abused children recover from that horrible trauma, and stay with them throughout much of their adult life.

HERMION LODGE #27, LEESBURG, FLORIDA RANK WORK – GROWING THE ORDER

On 15 September, 2020 Hermion Lodge #27 exemplified the Ranks of Page and Esquire on two new initiates.

Left to right:
Mark Lepinskie, Chris Van Duyne (new Esquire), Dennis Sommer (new Page and Esquire), Juan Hernandez, William Nicholson, Mike Johnston, Steve Johnston.

At our next meeting which is scheduled for 20 October, 2020, we will be ranking three for Knighthood.
