Sustaining Pythian Enthusiasm Beyond the Holidays

The holiday season is a time of joy, celebration, and relaxation. However, as the festive decorations come down and the new year begins, it's not uncommon for the enthusiasm built during the holidays to dwindle. The transition from the holiday cheer to the routine of daily life can be challenging, but with a mindful approach, it's possible to carry that positive energy forward, especially for those of us in colder regions. Below are some practical tips to maintain Pythian enthusiasm and motivation as we step into the post-holiday period.

**Reflect on Achievements** - Start by reflecting on the achievements and positive experiences of the holiday season. Consider the moments of joy, the connections with loved ones, and any personal accomplishments. Recognizing and appreciating these aspects can create a positive mindset, motivating you to build on these experiences in the coming months.

**Set Realistic Goals** - Channel enthusiasm into setting realistic and achievable goals for the upcoming year. Break down larger objectives into smaller, manageable tasks. By creating a roadmap for your ambitions, you can maintain a sense of purpose and direction, making it easier to stay motivated.

**Stay Connected** - Maintain the spirit of togetherness by staying connected with your Pythian family. Plan regular gatherings, whether in person or virtually, to continue the sense of community that the holidays often bring. Social connections can provide support and encouragement during less festive times.

**Focus on Gratitude** - Practice gratitude by acknowledging the positive aspects of your life. Focusing on the positive can shift perspective and enhance the overall well-being of your lodge/temple.

**Embrace Change** - Accept that the post-holiday period comes with its own set of challenges and opportunities. Embrace change as a natural part of life and be open to new experiences. By adapting to the evolving circumstances, you can maintain a sense of excitement for what the future holds.

While the holiday season may be behind us, the enthusiasm and positive energy cultivated during this time can endure with intentional effort. By reflecting on achievements, setting realistic goals, establishing routines, pursuing passions, maintaining connections, practicing gratitude, and embracing change, you can carry the spirit of the holidays into your everyday life. Approach the post-holiday period with optimism, and you'll find that sustained enthusiasm is within reach throughout the year.

*From Supreme Chief  
Yolanda Chatwood*

Greetings Sisters and Brothers,

Wishing you a Happy New Year filled with joy and prosperity. As we begin a new year, I hope you and your loved ones had a wonderful holiday season.

As my term as Supreme Chief comes to an end, I am filled with emotions that are hard to express in words. It has been an honor serving as your leader and working alongside all of you. As we approach the end of my term, there are a few things I would like to finalize.

Community service has been one of the main focuses of my project and I am proud to see all the amazing work that our organization does every day. I would like to take this opportunity to recognize Temples for their hard work during our Supreme Sessions. Information for Subordinate and Grand Temple submissions will be on the Pythian Sister website and sent to each Grand Chief and Grand Secretary in the coming weeks.

I would also like to acknowledge the many members in our organization who go above and beyond in their Temple and community service. In honor of that, I have sent out a Pythian Sister of the Year Award.

Information will also be available on the Pythian Sister website and was sent to all Sisters with a registered email in our Supreme Directory.

Finally, the Supreme Sessions in Roanoke, Virginia, is fast approaching. I, along with Supreme Chancellor Mark, and our committees, are working hard to ensure that everyone has a wonderful time. I hope to see as many of you as possible so that we can finish our terms with some hard work and fun.

It has been my greatest honor to serve as your Supreme Chief. My goal has been to bring fun and light to our meetings and visitations until the end of my term. As I travel and meet with members, I am often asked why I became a Pythian Sister. For me, it was because my Temple was a group of amazing, fun, and hardworking women who engaged with the community in various ways. I wanted to be part of that fun and work because I saw it make a difference.

As we strive to bring in new members, let us remember why we joined or why we have stayed a member all this time. I encourage you to share the amazing work that you are doing in your Temples and why you are a member of this Order. It could be the spark that ignites the interest of someone who is looking to make a difference in the community.

In PLE&F,  
Yolanda Chatwood  
Supreme Chief

Supreme Secretary Allen Morris*

## **HAPPY NEW YEAR!**

Hello from snowless Massachusetts. The holidays are over, it's time to get our collective thoughts together and start working for the betterment of the Pythian Order.

The Rathbone Bible will be shipped to Indiana for their Annual Pythian Awareness week and Rank Work. I read about Rank Work taking place throughout the Supreme Domain, but few domains have requested the Bible. To me that is most disappointing, the Rathbone Bible should be traveling on a continual basis.

The Supreme Council will be meeting in Washington, DC on the 6<sup>th</sup> of April. The preliminary agenda is growing, meaning the members of the Supreme Council will possibly be meeting on Friday evening, and Saturday through the late afternoon. There is a lot to be discussed and a lot of decision making to be done.

Membership should be OUR TOP priority. Acquisition, retention, building new lodges, reinforcing older, existing lodges. Without membership we will not survive – personally, I have too many years invested in the Knights of Pythias to watch it wither in the vine. If you have run/sponsored a successful membership drive – share what you did and how you did it with others, spread the wealth.

We are on track, I'm getting ready for the Annual Reports, the office is gearing up for some new Pythian Paraphernalia, Vivian and I are here to serve you, Our Pythian Family.

Please stay well.

Fraternally,  
Al

## FOUNDER'S DAY 2024

This year's Anniversary of the Order, February 19, celebrates the 160th year since institution. Organization took place at Temperance Hall, Washington, D.C., 1864, led by Brother Rathbone, with its object friendship, benevolence, and charity.

Take the time to commemorate our great Knights of Pythias wherever you may be at 12 o'clock noon (E.S.T.), February 19, to think of the Order, what has been accomplished, by whom, its heroes. Why that time? Everyone in the Knights of Pythias will be together. Remember the Order was begun in part to help bring the country together in a bitter, divisive time. Viewing that aim may be brought to today.

President Lincoln supported the Order when it was suspect. Interestingly, three U.S. presidents have been members, and Franklin Delano Roosevelt became a Knight, February 19, 1933, at the White House. This year the date is the U.S. national Presidents' Day holiday.

A further thought on the date: it is part of Pythian Awareness Week, February 18-24, also known as Pythian Recruitment Week within the Order, a time to promote, publicize, recruit, and possibly to re-enact the first meeting. Take pride in the Order, its diversity, expansion, and reach.

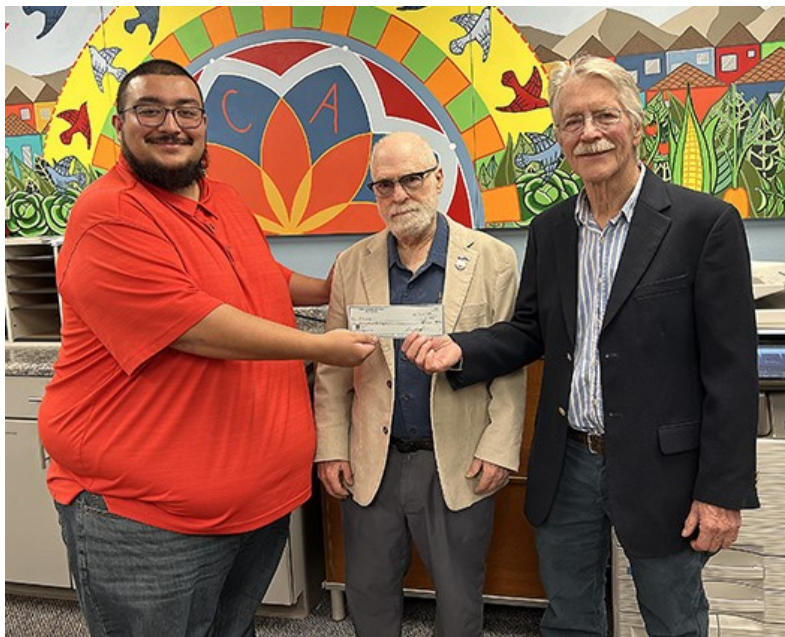

**HAPPY 160<sup>TH</sup> ANNIVERSARY PYTHIANS!** And, many more years, spreading Friendship, Charity, and Benevolence through Community Service.

# SPECIAL OLYMPICS

## NEW CITY ORANGETOWN LODGE, NEW YORK

On Sunday October 8, 2023, New City Orangetown manned a table at the Nyack Street fair with the goal of promoting the name recognition of the Knights of Pythias and to answer questions about the Pythian order and membership. It became clear that at this type of event a draw is necessary to attract the younger audience to our table and we will have something in the future to do just that as it is our goal to attend future street fairs. Those who attended and worked the booth felt it was a success as it did get our name out there and we had the opportunity to speak to people who asked questions about the organization and membership. Some remembered the name and spoke about their family members who were members. Thank you to those who worked the booth, assembled the canopy, and worked so hard putting it all together. Pictured from left to right is OG Ed Blocker, Jan Cohen, ACDGC Stephen Herbst, Marsha Shapiro and GS Steven Gold. Not pictured is Michele Cohen who assisted with canopy assembly and manned the table earlier in the day before the picture was taken. A special thank goes to Jan Cohen and Ed Blocker who practiced assembling and taking down the canopy so that everything would go smoothly on the day of the fair.
