*From the Supreme Secretary's Desk*

It's getting close to that time of year again; Annual Reports. All of the Grand Secretaries have been sent hard copies of the Annual Report blanks for Subordinate Lodges, some, at their request, have been sent electronic copies of the same.

I'm getting ready to send the report blanks for the Grand Lodge Annual Report – I need to know if you'd like them electronically, I will accept them via E-mail provided the first page follows by snail mail, signed, with the seal of your Grand Lodge. I will be sending two copies in the mail. Feel free to use either, but not both.

I'm working on a location on the first couple of pages of the Annual Report to indicate the number of Knights your domain has initiated since July 22 of this year. In commemoration of the 150th Anniversary of the Order Universal, the Supreme Lodge will be issuing a credit equal to the per capita tax for dues paying members for each new Knight, to be used against your Grand Lodge's orders for paraphernalia, that credit will include postage. This credit will be applied to your domain until July 31, 2014.

Subordinate Lodge Secretaries and/or individual members are requested to place their orders with and through their Grand Secretary.

Have a happy, healthy holiday season!

CELEBRATE THE ORDER AT 150

The 150th Anniversary of the Knights of Pythias, February 19, 2014, is a tremendous milestone. A WOW! All who are part of this fabled brotherhood may be proud of its rich history from the Founder, Justus H. Rathbone, the first meeting at Temperance Hall, appearing before President Abraham Lincoln and Secretary of State William Seward, the Uniform Rank, the Pythian Heroes, World War I and troop support, recognition by Presidents Eisenhower and Clinton, disaster relief, and charitable works, in the commitment to Friendship, Charity, and Benevolence now through Community Service. Franklin Lodge #2 will have its 150th anniversary in April 2014. Three presidents were members as well as so many other luminaries.

Celebrate the Order's epic anniversary, the sesquicentennial, in tribute to the highest aims of humanity, hold an event, recall the history, the heroes, the charitable and community causes, participate, and importantly share the occasion.

Share with the public as well as the Order. Take advantage of the public relations opportunities for promotion, recognition, and ask others to join in furtherance of the commitment to improve the quality of life.

As we move ahead, reach out and expand the reach of Knights of Pythias' practice of friendship, charity, and benevolence through community service where we live and work.

Happy Anniversary! Promote, honor, and celebrate the Knights of Pythias at 150.

PYTHIAN RECRUITMENT WEEK

PYTHIAN RECRUITMENT WEEK, February 16-22, 2014, is when all Brothers may be doing something together for celebration, promotion, and recruitment for the Order. Plan now. We are proud of our fabulous Knights of Pythias, and should publicize our contributions and commitment to Community Service and Friendship, Charity, and Benevolence. With any event, try to include the public. Local newspaper, cable tv, and social network sites are possible media with other possibilities in recognition and acknowledgment by government bodies and officials. Maximize this wonderful opportunity, and enjoy being part of our history.

Pythian Recruitment Week, Pythian Awareness Week for purposes of appealing to the public, additionally incorporates the milestone 150th Anniversary as well as unlimited opportunities to promote the Order, to recount its great history, to portray themes such as re-creation of the Story of Damon and Pythias or the first meeting, or to honor heroes of the Order.

SUCCESSFUL PROGRAMS- If there is a program in your domain or lodge that you want to share, please send it to Joel D. Fierstien, SMA.

Maine/Maritimes

Each year we rotate the Domain hosting the sessions, this year the Maritimes were the host, next year Maine will be the host. Both Domains gather at each Monument, the GL Officers of Maine dressed in their Red and the Maritimes dressed in their Black. GC's lay the wreaths and the GP of the country whose monument we are visiting offers a prayer. At the meeting on the bridge we get great cooperation from the officers on duty. Traffic comes to a complete halt as the GMA leads the GLOfficers of his country to the centre of the bridge where the greetings and placques are exchanged. A reception line is formed and greetings are exchanged by all the officers. At the session in the PM, three ranks were put on a candidate. A busy afternoon! Supper was attended by 75.

From the Maritimes we had representation from Amherst, Oxford, Springhill, NS and Moncton, Saint John, Saint Stephen, Queens Lodge, Fredericton, NB. In fact this year, we were only missing representation from two lodges, not bad after 61 times. Just a little more info, hope you will be able to come some year.

This year was our sixty first Pythian International Jubilee of Hands Across the Border. Each year the Knights and Sisters from Maine and Maritimes meet on the last full weekend of Sept. On Friday evening we meet for registration and a social evening of fellowship and entertainment. On Saturday the GL Officers place Memorial Wreath's at the Cenotaph in Canada then cross the Border and do the same in US then the Americans march from US and the Canadians from Canada and meet in the centre of the International Bridge for greetings and exchange Plaques. This year we had rank work as well. It is a wonderful event.
